

UE2: NEW NEIGHBORS

DISCUSSION GUIDE

This sheet provides questions to guide your group through Urban Entry's "New Neighbors" video. You probably will not have time to ask all the questions that have been provided, so review the questions ahead of time to decide which ones are most appropriate for your group. If you want a more in-depth Bible study, an outline is available at www.urbanentry.org.

OPENING CONVERSATION (before watching the DVD):

- What are some words that describe the inner-city? The suburbs?

DVD – 15 MINUTES

Some groups choose to pause the DVD at strategic points in order to discuss ideas/questions as they arise.

DISCUSSION (after watching the DVD):

- What things stood out to you from the DVD?
- What demographic shifts can you see happening in your community? How do you feel about these shifts?
- Have you ever thought that God is at work in the changes in your city? What opportunities exist because of these changes in your community?
- What challenges might the poor face when they move to a suburban neighborhood? Can you think of any examples?
- Where are the pockets of poverty around you? Do you have any connection to the people living there?
- We saw the response of New Hope Church to its changing neighborhood. What are some other ways that churches can respond? How can we as individuals respond?
- Did God show you anything about yourself as you watched the DVD? Do you sense Him promoting you to respond?
